INTRODUCTION

MobiGATE™ contains **SMS Broadcast**, and **SMS Engine**.

SMS Broadcast is:

1. a Short Messaging Service (SMS) broadcast campaign manager that broadcast message to multiple recipients, or multiple groups as well as to view incoming SMS;
2. a contact management tool – import contacts from Excel, export contacts to Excel, group contacts into various groups; and
3. a "Presentation" layer in "N-Tier Architecture Model" as the Access database can be opened for integrating with external system (only available in *RLA*).

SMS Engine is a programme that:

1. sends and receives SMS;
2. can be configured to handle routing, broadcast direction etc.

Version: 2.2.4

System Requirement:

1. *Windows 2000* and above
2. Pentium 3 and above
3. 128MB RAM
4. 1 SIM card (pre-paid or post-paid)
5. No internet connection is required

LICENSE

MobiGATE™ can be licensed in these two ways:

1. End-User License Agreement (EULA)

MOBITEK grants end-user the right to use the **MobiGATE™** with the following conditions:

- 1.1. **MobiGATE™** is Free Of Charge when GSM modem is purchased. It is free from any registration, licensing or deployment fees. It may be deployed freely for commercial or non-commercial;
- 1.2. **MobiGATE™** must be used with the GSM modem supplied;
- 1.3. **MobiGATE™** does not come with any support, technical assistance, nor warranty. Use it at your own risk; and
- 1.4. If support, technical assistance, and warranty are required, please upgrade to version 3 with a fee.

2. Reseller License Agreement (RLA)

MOBITEK grants reseller the following rights subject to terms and conditions:

- 2.1. the right to use **MobiGATE™** with all the same benefits accorded under the EULA;
- 2.2. the right to re-brand **MobiGATE™** to any brand name (**MOBITEK's** name will not appear anywhere in the product);
- 2.3. to reveal the password of the database used by **MobiGATE™** so as to enable reseller to integrate **MobiGATE™** with external, or 3rd party system;
- 2.4. to provide training on the use of **MobiGATE™** ;
- 2.5. to provide off-site support via e-mail within 3 working days response time;
- 2.6. to warrant against all defects, and bugs by providing a patch file within 30 working days, or by an one-to-one exchange with the defective item;
- 2.7. warranty period is 12 months; and
- 2.8. license fee is RM1,000 per set (**MobiGATE™** and 1 unit of GSM modem) with a minimum order quantity of 3 sets.

BENEFITS of EULA for End-User

With **MobiGATE™**, company can:

1. conduct direct marketing activities such as broadcasting news, information, promotion to customers via SMS;
2. manage contacts with ease;
3. provide alerts and updates to customers
4. receive SMS from customers
5. provide a new communication channel in addition to telephone, fax and e-mail

BENEFITS of RLA for Software Developer and System Integrator

With **MobiGATE™**, software developer or system integrator can:

1. reduce the software development cycle by using **MobiGATE™** as an user-interface, or as “an presentation layer” in “N-Tier Architecture Model”;
2. integrate quickly with existing business system such as ERP, Accounting, CRM, etc.
